

CCMG APPLICATION FOR ACCREDITATION OF CENTRE

INSTRUCTIONS FOR COMPLETION OF FORMS

1. All centres must complete the general information, clinical service, and all three laboratory service sections of the application.
2. Centres applying for accreditation as a Comprehensive Centre for Clinical Genetics Service and Training must also complete the training section for each specialty that is offered.
3. Centres applying for accreditation as a Joint Comprehensive Centre for Clinical Genetics Service and Training must complete all the forms as above, for each centre.
4. When completing tables and lists, additional lines may be added as required.
